

Basis dansk 1

Evening Class

Basis dansk 1 starts from scratch, but in a matter of weeks you will be able to make yourself understood.

You will learn to:

- understand common words and phrases.
- follow basic conversation in Danish.
- give and receive short messages.

Unlimited online training is included in the course. This means that you can make assignments and listen to Danish as often as you like.

TIMEFRAME

The course is 60 lessons + unlimited online training.

WHEN?

1 evening a week, 4 lessons each time.
